- 250mm Inserts for 560mm Master

ABOUT THE ACROBAT™ PRODUCTIVITY PACKAGE:

The Acrobat™ Productivity Package fusion machine for 250-630mm offers a great lightweight machine for large diameter piping systems. All of the components are lightweight, and can be assembled onto the pipe overhead, or assembled onto it's base frame to use as a standard hydraulic butt welding machine. Each of these size packages requires the QuickFit® core package.
